

INSTALLATION INSTRUCTIONS

Countertop Sink

Introduction: Thank you for selecting our products...products which have been the benchmarks of fine quality for years. To help ensure that the installation process will proceed smoothly, please read these instructions carefully before you begin. Also, review the recommended tools and materials list; carefully unpack and examine your new plumbing fixture.

⚠ CAUTION: PRODUCT IS FRAGILE. TO AVOID BREAKAGE AND POSSIBLE INJURY HANDLE WITH CARE!
NOTE: Pictures may not exactly define contour of china and components.

Recommended Tools & Materials

1

Using the template provided, locate the position of the sink. Provide proper clearance under the countertop for the faucet supply lines, drain assembly and the structural parts of the cabinet.

NOTE: If replacing an existing sink be certain to shut off water supply before removing old sink.

3

Mount the faucet and drain assembly (not included) on the sink following faucet manufacturer's instructions. Be certain to apply a bead of sealing putty on the underside of the drain (Part "A") in order to ensure a watertight seal between the sink and drain. Remove excess putty after installing drain on sink.

2

Drill a clearance hole inside the perimeter line of the template.

Cut opening around the perimeter of the template.

4

Before applying the sealant, place the sink temporarily into the cut-out. Check for alignment and clearance. Then mark the sink *and* countertop in several places as a guide for the installation location.

**6**

Connect supply line to faucet (finger tight) and carefully bend tubes to engage with the supply shut-off valves. Tighten connections at faucet and shut-off valves for secure seal.

**5**

After checking fit and alignment, turn sink upside down and apply a generous portion of sealant around the underside of the rim near the edge. Carefully lower sink in place, align with marks made earlier, and press down firmly. Allow sealant to set before connecting supplies and drain.

**7**

Connect trap to drain assembly hand tight to check alignment. It may be necessary to cut off part of the tailpiece (area "B") or part of the horizontal leg of the trap (area "C"). Secure joints for watertight assembly.

ELJER, INC. ONE YEAR LIMITED WARRANTY

If inspection of this Eljer plumbing product, within one year after its initial purchase, confirms that it is defective in materials or workmanship, Eljer will repair or, at its option, exchange the product for a similar model.

This limited warranty applies only to the original purchaser and installation of these products. In the event of a limited warranty claim, proof of purchase will be required—save sales receipt.

This limited warranty does not apply to local building code compliance. Since local building codes vary considerably, the purchaser of this product should check with a local building or plumbing contractor to insure local code compliance before installation.

This limited warranty is void if the product has been moved from its initial place of installation; if it has been subjected to faulty maintenance, abuse, misuse, accident or other damages; if it was not installed in accordance with Eljer's instructions; or if it has been modified in a manner inconsistent with the product as shipped by Eljer.

Eljer's option to repair or exchange the product under this limited warranty does not cover any labor or other costs of removal or installation. **IN NO EVENT WILL ELJER BE LIABLE FOR THE COST OF REPAIR OR REPLACEMENT OF ANY INSTALLATION MATERIALS, INCLUDING BUT NOT LIMITED TO TILES, MARBLE ETC.** Eljer will not be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product, all of which are expressly excluded from this limited warranty. This limited warranty does not cover any liability for consequential or incidental damages, all of which are hereby expressly disclaimed, or the extension beyond the duration of this limited warranty of any implied limited warranties, including those of merchantability or fitness for an intended purpose. (Some states or provinces do not allow the exclusion or limitation of implied limited warranties, so this exclusion may not apply to you.)

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or from province to province, in which case this limited warranty does not affect such statutory rights.

For service under this warranty, it is suggested that a claim be made through the contractor or dealer from or through whom the product was purchased, or that a service request (including a description of the product model and of the defect) be sent to the following address:
